you're a real quiet guy and it's such a pleasure knowing you another year. It was
 let of just having English - history with you and seeing you at the dances. May as
 well, cute, and friendly as you are always and you'll be a big success, especially
 with me I look "our course on a dark and stormy sea cannot always be clear. But we forward to see
 have set sail—and the horizon, however cloudy, is also full of hope..." summer and of
 during the
 next year. Let these words of a great man of our time be a source of inspiration for your friend forever
 you. You are on the threshold of life and should remember never to give Linda Ingle
 up. Always try harder, for... the horizon is full of hope... (Juniors of '67")

I hope you

Greg:

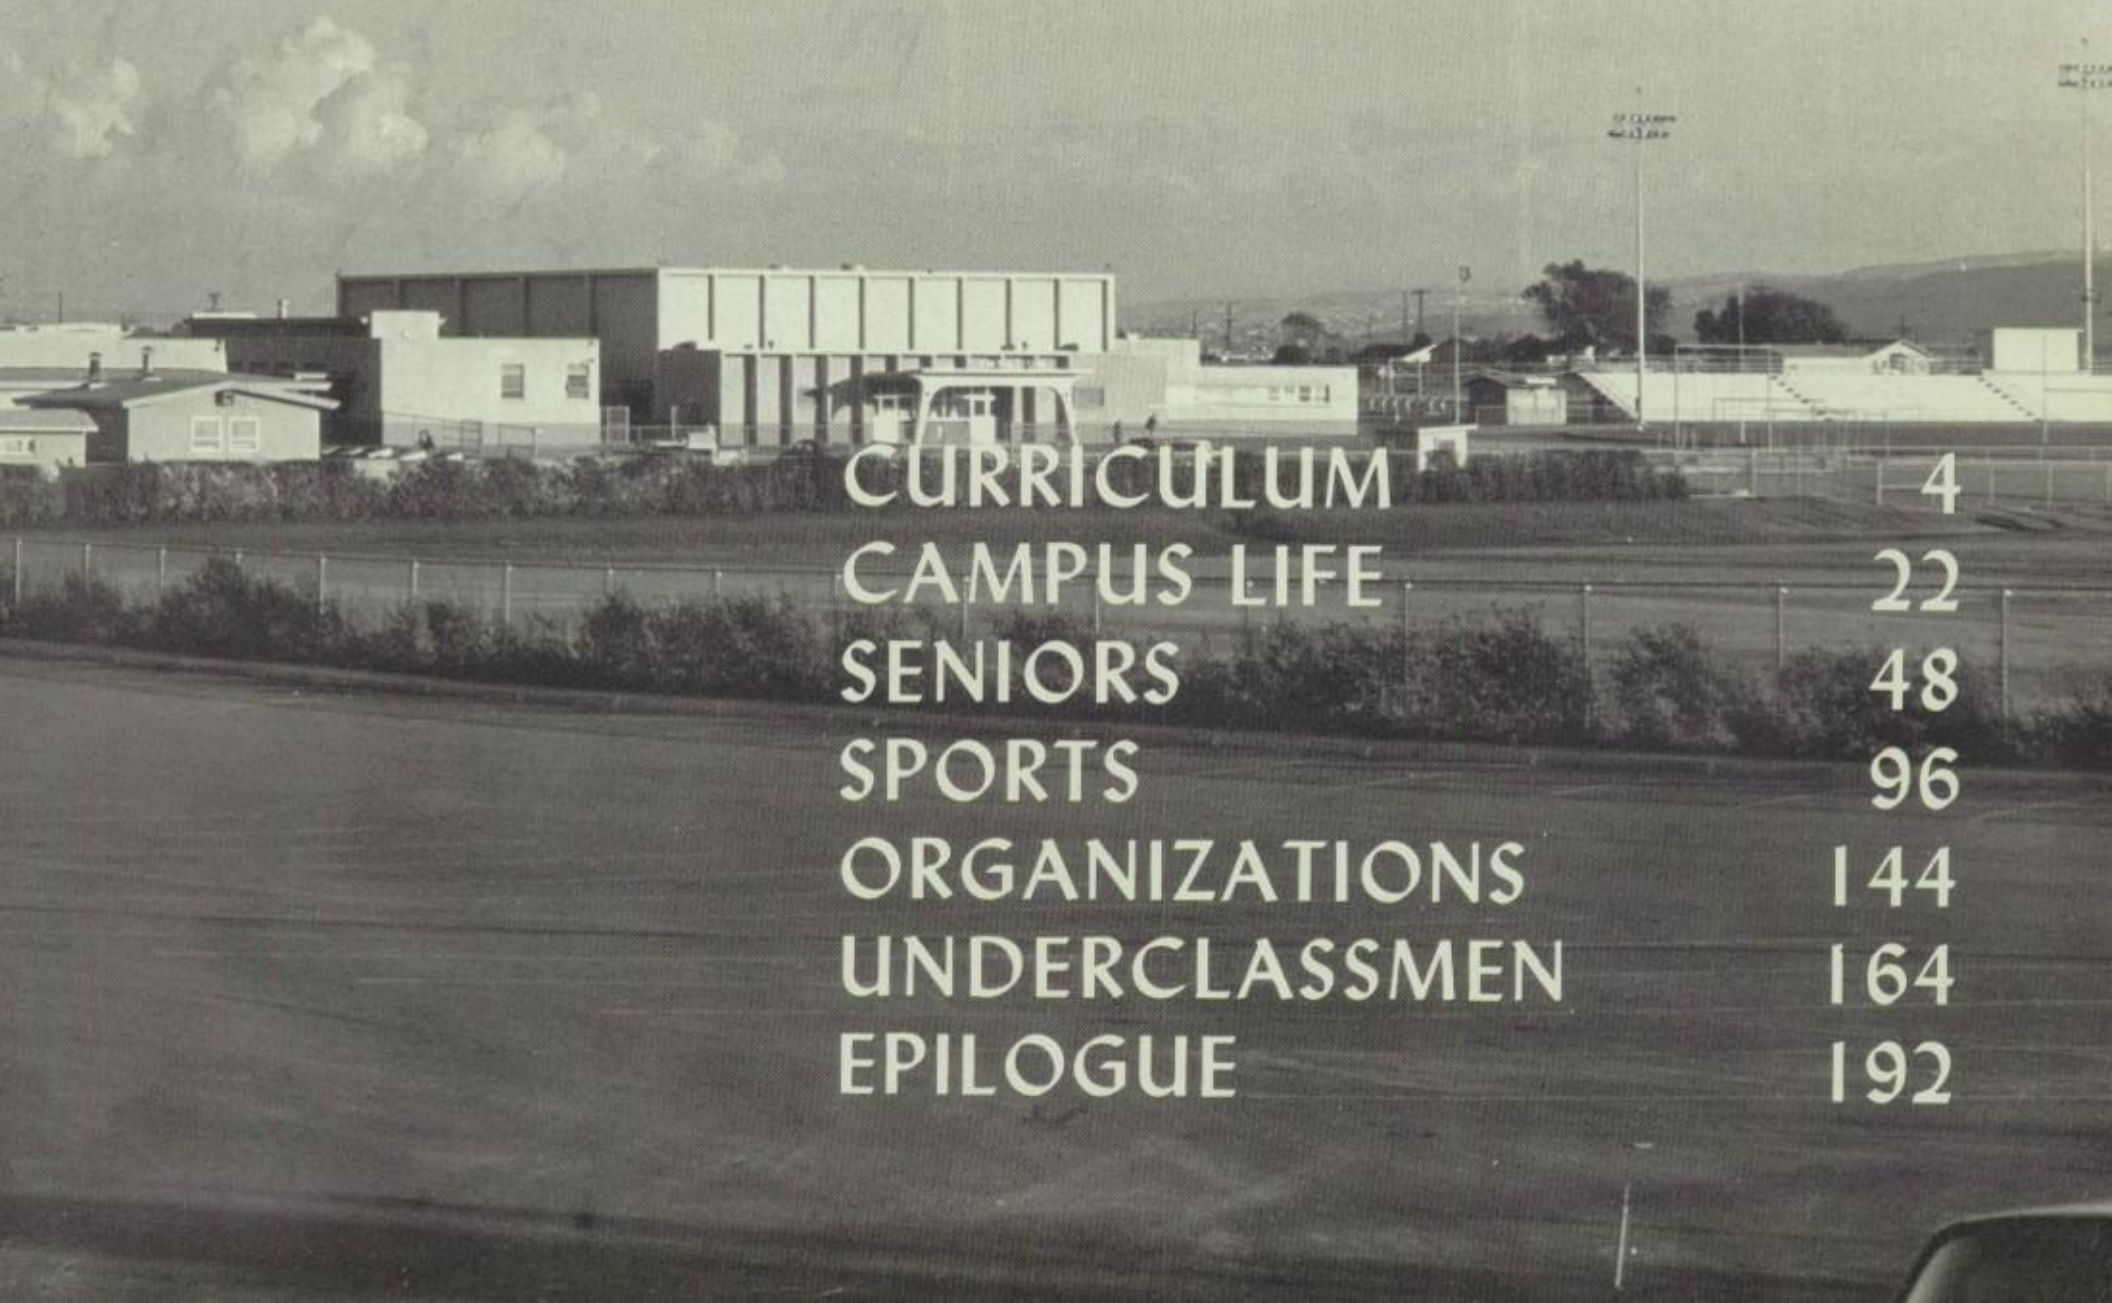

Well sure Day, horizons are opening unto us.
Big Wow, huh? No really though, a new year is
on its way or at least its coming up but with
you around we will all have a bundle of
fun and drink, mostly the drink part. I
haven't seen you very much this year except
in English and when you met Marcie. By
the way, how did that ever come out? ^{By the way}

It was just kidding you about your age
goofyness. Maybe you're younger but you
act older.

Always and forever

MAR VISTA'S CAPTAIN

MR. DONALD HILLIER

The man behind the scenes, Mr. Donald Hillier, handles his job with the foresight of one who is concerned with the future successes of Mar Vista and all Mariners. On any given day you may see Mr. Hillier fulfilling his extensive duties as Boys' Vice Principal with zeal. Mr. Hillier provides for Mar Vista an outstanding example of the "we try harder" spirit.

BOYS' VICE PRINCIPAL

FROM THE PRINCIPAL'S DESK

To all Mariners, students and faculty alike, the Log Staff and I respectfully dedicate the '66 Log to the citizens of the United States and Mar Vista. The theme selected for '66 reflects the spirit and zest of all Mariners and it is with great sentiment for the American Ideals that Mariners chose the theme of "We Try Harder" for 1966. More particularly, the pleasurable memories incorporated into the Annual display the awareness of the growth of academic and extra-curricular activities at our outstanding institution.

We Mariners possess qualities which are a measure of the finest type of citizen, a citizen who has unselfish devotion to school and country. By a constant example of Mariners Try Harder, we set a goal for the community and country to aim for.

In concluding the year 1966 please be secure in your beliefs of Americanism and diligently try harder in every significant undertaking that you become involved with. Congratulations and much success in the future.

Principal,

MRS. FLOY JENKINS

Mrs. Floy Jenkins, the Girls' Vice Principal has done much to raise the standards and spirit of Mar Vista. Her efforts in behalf of the Girls' League have been responsible for the growth and success of this all girls organization. Her youthful spirit and ability provide a link between students and the administration and have endeared her to all.

SWEETWATER BOARD OF TRUSTEES

BOARD GOVERNS DISTRICT

MR. JOSEPH RINDONE

The Sweetwater Board of Trustees exemplifies the "We Try Harder" spirit through their efforts in behalf of all the students and teachers of the District. Their services involve the financing and guidance of the curriculum departments of the various high schools.

Completion of plans for a new high school in the area, and a swimming pool for Mar Vista are among their accomplishments. Mr. Joseph Rindone, in his position of Superintendent, makes many key decisions governing improvements of the District.

EVER UPWARD

SENIOR

Anyone for physics, algebra, or French? **MIKE GRIFFITH** and **SHARON HAAG** step right up for these and many other subjects, to become the class of '66's **MOST SCHOLARLY** Seniors.

Friendliness, cooperation, ambition and personality give **DAVE GLASSEY** and **LAURA RUSCH** the title of **BEST ALL AROUND**.

Ambition, talent, and brains are only a few of the assets which are possessed by **CHRIS ASHCRAFT** and **NANCY STOCKDALE**, who were voted **MOST LIKELY TO SUCCEED**.

STANDOUTS

There's an old cheer that starts out like this: "Pep, pep, pep—Steam, steam, steam . . ." No one on campus has displayed these qualities more energetically than CINDY HULL and HARLAN LEAL, the two Seniors voted MOST SCHOOL SPIRITED by the class of '66.

Taking the title of MOST ATHLETIC were KATHY SISCO and GARY ESTES. Kathy has been a Varsity Cheerleader for two years and is known for outstanding ability in gymnastics. Gary's striking ability in athletics has made him deserving of the title.

Sincerity, honesty, and a winning smile are a few of the traits that helped MARIE LANDERS and WALLY RICE earn the title of BEST PERSONALITY.

DOTTEE MATTHEWS and SAL SALAS have those special smiles and winning ways to make them the **MOST FLIRTI-TIOUS** Seniors at Mar Vista.

Laughter rings out wherever **BEN HEK** and **JAN HICKS**, Mar Vista's **MOST HUMOROUS** Seniors, are. Both Ben and Jan are known for their wonderful sense of humor and ready smiles.

"Time Out!," shout **NANCY NOAH** and **JOHN SACHS** as they both rest from their many activities. They were given the title of **MOST SERVICE TO THE SCHOOL**, which both deserved.

As Sophomore Class President, SHAWN HOLDER and Treasurer LINDA EDMISTON helped the class of '66 get its start. Now, as Seniors and A.S.B. officers, they have continued to help the class of '66 reach its goals.

A gentleman and his lady have been selected as this year's CUTEST COUPLE. For two years and two months, we've seen this smiling pair around the Mar Vista campus. Guess Who? PETE FRETWELL and SHERI TRAIL.

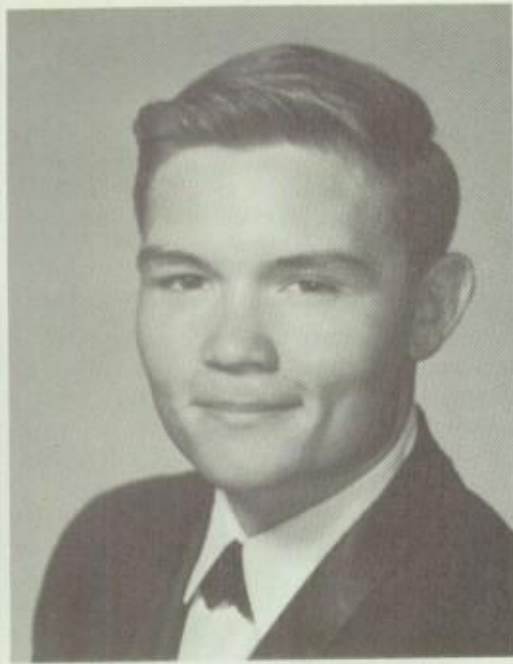

Lights, camera, action! And into the spotlight come JIM KNOX and LINDA SEMKEN, Mar Vista's MOST TALENTED Seniors. Both of these gifted Seniors show great promise for the future.

I can not begin
 to write or express what
 I feel for you. We have
 really been through a lot of
 fun & fights this past year but I have
 never had more fun through a school year
 as with you. We both shared our moments of
 being rusty - but I hope have forgiven and let pass.
 It all started September 9, 1965, Wednesday at the beach
 when Kathy introduced us and we went out doubling that
 night. Well, I won't go on and on describing to you all the
 fun and laughs, etc. I've shared, such as the Prom night. (Thank-you
 so much) I just want to say that I have never had so much
 fun with any-one else or probably won't ever again
 You've really got a wonderful personality to match your
 looks and I hope we can continue to share such
 great memories and experiences. God bless you -
 Love and luck

These
MAR

GRIDMEN

The Mar Vista '65 football season didn't go as well as expected despite last year's rebuilding season.

The losing season can be explained by several factors, two of the major ones being the lack of speed and the very strong and well-balanced Metro League.

However, several bright spots were incorporated into the '65 Mar Vista team, especially the spirit of the team coupled with the display of great sportsmanship which enable the gridmen to battle the entire forty-eight minutes of every game.

The biggest thrill of the season was Mar Vista winning her homecoming game against Coronado. Not only was this Mar Vista's first win in the Metro League but it also restored MV's pride after losing last year's game to the Islanders. Highlighting Mar Vista's homecoming were the fireworks at half time, the first in the area.

Our team never conceded defeat until the last gun sounded. No other team or school could touch us in spirit or pride.

HOMECOMING '65-'66

Fireworks, Sheri Trail crowned Queen, and a victory over Coronado, highlighted Mar Vista's 1965-66 homecoming this year. Through the combined efforts of all the clubs at Mar Vista, the Mariners produced the first fireworks display in San Diego County history. At halftime, petite Sheri Trail was named Homecoming Queen of Mar Vista High School for 1965-'66. After the victory by the M.V. varsity and exchange of the perpetual trophy, the Mar Vista students and alumni adjourned to the gym for the 15th annual Homecoming dance. The events culminated a pleasurable evening for Mariners of today and long ago.

Self-determination and individual spirit were attributes of this year's Cross Country team. Under the leadership of their coach, Mr. Big "D" Evans, these boys have displayed amazing potential as long-distance runners. Unlike Cross Country teams of previous years, the '66 harriers have compiled a 3 — 3 record. Since the team was composed chiefly of underclassmen, '67 should be a banner year for Mar Vista's distance men.

Maureau's Mauraunders initiated the Metro League Season with a victory over Sweetwater, but the taste of victory did not last too long as depth on the team was lacking. Nevertheless, spirit and enthusiasm, a result of gentlemen's play, created a value among the roundballers that gave them a motto of "the 32 minutemen try harder."

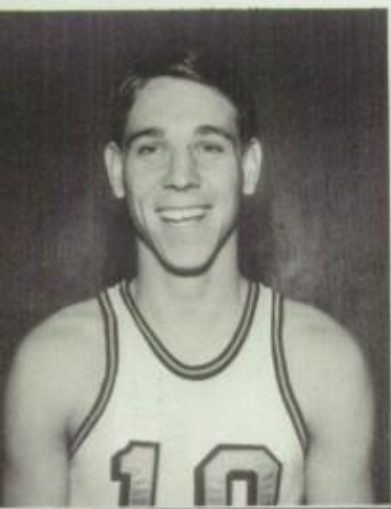

The Mariner team striving to overcome up-hill battles throughout the season gave the Mariner spectators an element of play that provided all Mar Vistans to rally around the team and support them enthusiastically.

An applause to the team, cheerleaders, songleaders, and spectators, as the motto of Mar Vista, portrayed by the inspiration of we try harder, was felt all over the South Bay area.

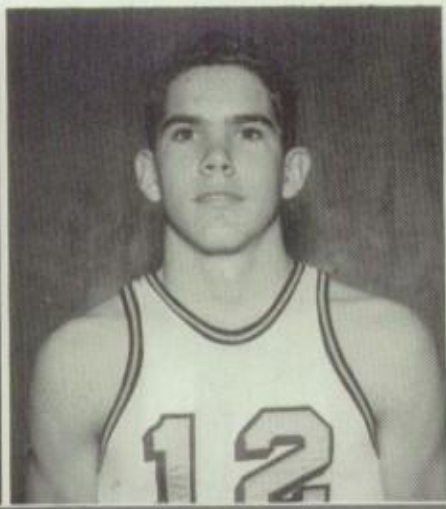

Good Luck in '67, Maureau's Mauraunders!

Coach Teagle

At the first hint of the spring air the track and field stars get the urge to round the cinder path and gain the strength and wind for future Metro League victories.

During the season the sprinters practice faithfully by running the Mar Vista oval and the beautiful beaches of Southern California. Subsequently, Mariner trackmen are physically able to compete and ring up victories in the competitive Metro League.

WITH THE ADVENT OF SPRING, THE UMPIRE YELLS "PLAY BALL" AND . . .

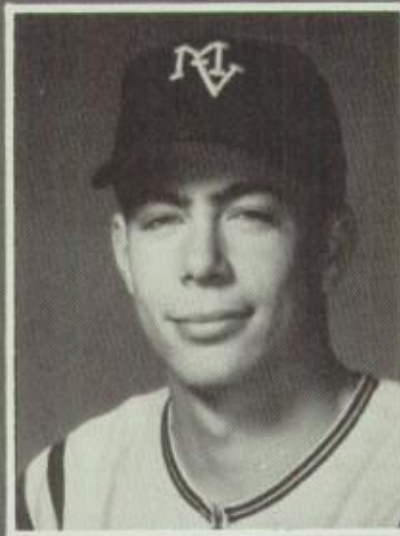

. . . the husky-hitting boys belonging to Coach Bob Lusky's Nine have absorbed the spirit of "WE TRY HARDER" to such an extent that the enthusiasm on the team is everlasting — regardless of victory or defeat. Spray hitters and long-ball sluggers have compiled enough of the 'der bingles' to reinforce the strong pitching of the Mariners so that the baseballers' record is impressive. The running attack used by the husky Lusky boys is a replica of the sights that we see on the telly every Saturday when America's favorite pastime is viewed.

All Mariners, students and faculty alike, wish to extend a genuine thanks to AVIS for the inspiration that they have given us by permitting us to use their mighty slogan of "WE TRY HARDER". MARINERS TRY HARDER

Mr. Alton Swift's enthusiastic spirit will always be remembered by MARINER SPECTATORS and ATHLETES.

... ever grateful, ever true
thus we raise our song to you ...

Mr. Alton Swift, previous Senior counselor, teacher, promoter and friend of Mar Vista and all Mariners. With his infallible spirit and drive, Mr. Swift can be credited with much of the success and reputation of Mar Vista. During his years at MV he was always the one to stay behind old projects and originate new ones. Mr. Swift is perhaps the forerunner of this year's newly formed booster club. His example of loyalty to both Mar Vista and Castle Park is admired by both schools. The Mariners owe a great deal to this man, who, though no longer with us at Mar Vista, continued until his passing, to stand up for the ideas that are instilled in our school and District today.

Outstanding scholastic ability enables students to become members of the California Scholarship Federation. A field trip for those in C.S.F. is the main event of the year. Other activities include candy apple sales and scheduled interviews with various representatives from various colleges. The members of this club are to be commended for their exceptional academic achievements.

This year the Music Club undertook the production of "The Music Man." The hard work of these students was evident in the final outcome. Many field trips are taken by these students in order to appreciate more fully the fine arts.

KEY CLUB

The Key Club exemplifies the American and Mariner spirit. Specifically, the club members have a quality of getting "things done." The measure of the impossible is never considered by the Key Club. In a few short years the Key Club members have created a club which emulates its parent club, the Kiwanis Club, in any endeavor that it undertakes. Kiwanians are noticeably involved in the American society, while Key Clubbers are correspondingly involved in all Mariner activities—student government, athletics, scholarships and Mariner spirit. The Key Club is capably guided by Dr. Earl Foate and Principal Myron Smull.

OK! OK! I'll buy a
LOG.

Shakespeare in 308

Greg,
To a tough guy. I
only know you through Syvie
but I guess that's good enough.
Be good this summer and stay
out of trouble see you next year.
Always
Dise
68'

"We in this country, in this generation, are—by destiny rather than choice—the watchmen on the walls of world freedom." We have a goal and purpose in life. All of us must meet our responsibilities with the thought that we will try our best to do what is ours to do and keep our country an example of freedom and peace.

High school is the stepping stone to the world around us. These years of working and building our character will be vitally important to whether or not we will meet with success the challenges in our lives.

The 1966 Log has chosen as its theme *We Try Harder*. These words, we hope, will serve as an inspiration to every student of Mar Vista High School.

As you look through the pages of this book, evidence of the efforts of all concerned with our school will be there. We have tried harder this year, and will continue to do so in the future. As the memories of the past year come to mind, remember also, Mariners, to set your ship for a bright star and strive for the good and positive values in life.

Greg.
Good luck next year
to a real good friend of
mine. See you during the
summer.
"45"
Gus
